

THIRD QUARTER STATEMENT OF PURPOSE

TO THE STUDENT: This form is intended to be filed at the end of your first year of graduate study and should reflect a consultation between you and your chosen advisor. Some of the information contained here will be supplied to the faculty when it reviews all first-year Ph.D. students at the beginning of their fourth quarter. Normally, the Department formally admits a student to candidacy for the Ph.D. in the sixth quarter of graduate study. This admission to candidacy is, to a large extent, based on adherence to the program in this Statement of Purpose. It is, therefore, essential that any changes you later wish to make to this program be approved in writing by your advisor and the Director of Graduate Studies. Please complete this form and return it to the Graduate Administrator as soon as possible, but no later than the **beginning of Autumn Quarter** of your second year.
